Homework for Room 114
Due Monday, September 28, 2009

1. Reading: Read for 30 minutes a day or 150 minutes a week.

Record all reading on the chart on back of this sheet.

Parents: Please feel free to fill out the log, or help your child with this task. The time needs to be recorded in minutes with a total at the bottom. If your child is in First Grade, you may also record time that you have spent reading to your child.

2. Writing: This week we learned about Alexander the Great and the great things he accomplished in his life. Now imagine that you are the great ruler of Ancient Greece. Tell me what your name would be. Then draw a picture of you doing one great act. When you have completed your picture write two or more sentences to describe your one great act as the ruler of Ancient Greece.

3. Second Grade Math: Just a reminder, complete and turn in the September project by September 30, 2009. I can't wait to see them!
